How we work together

1. Discovery & Requirement Gathering

We define goals, audience, deliverables, references, timelines, and success criteria.

2. Proposal & Binding Agreement

Norum’sHub supplies scope, price, milestones, revision limits, and payment terms. Both parties approve before work starts.

3. Design & Code Execution

Work proceeds against approved milestones. The Client provides feedback and required materials on time.

4. Final Review & Launch

Final deliverables are reviewed, outstanding balances are settled, and approved files or products are handed over.

Project: _____ Start date: _____

Client / Company: _____

Scope

The Creative will deliver only the items recorded in the approved proposal or attached scope. Added requests may require a revised quote and timeline.

Payment

The Client will pay the agreed deposit before work begins and the remaining balance according to the approved milestones. Final editable/source files may be withheld until full payment.

Revisions

The quoted revision rounds apply. Additional revisions or a major change in direction may be charged separately after written approval.

Client responsibilities

The Client will supply accurate copy, brand materials, access, approvals, and feedback needed to keep the project on schedule.

Ownership & portfolio rights

After full payment, the Client receives ownership or the agreed licence for final approved deliverables. Norum’sHub retains rights to unused concepts and may display completed work in its portfolio unless confidentiality is agreed in writing.

Cancellation

If either party ends the project, completed work and committed costs are payable. Deposits compensate for reserved time and are non-refundable once work has started.

Approval

Email, WhatsApp, or a signed copy may confirm approvals. Both parties agree to communicate promptly and act in good faith.
